

CANADIAN TIRE

To: Toni and the Staff of the Belle Petroleum Centre

I would once again like to thank you and your staff for hosting our recent March Meltdown Event, the four local businesses had nothing but praise for the professional atmosphere that surrounded this event. In my opinion its truly an asset to our community to have such a facility available to host such a large event and our crew of workers including my family were treated royally. We would certainly consider doing other events at the Belle Petroleum Centre.
